**re:HEALTH and Tencent Doctorwork  
Join Hands in Launching Childhood Vaccination Program**

(7 August 2018, Hong Kong) **Union Medical Healthcare Limited** (“Union Medical Healthcare” or the “Company”, together with its subsidiaries, the “Group”, SEHK stock code: 2138), a leading integrated medical group in Hong Kong, is pleased to announce that the Group join hands with Tencent Doctorwork in launching childhood vaccination program to offer safe and reliable vaccination services.

The program is managed by the Group’s paediatrics. To ensure safety and compliance of the vaccination process, interested parents are required to submit vaccination records of their children to our doctors for assessment of their suitability for vaccination. Following assessment of the physical health status of the case, Tencent Doctorwork will liaise with those who are eligible for vaccination at the Group’s health screening centre, re:HEALTH, located at Langham Place in Mong Kok, Hong Kong. The entire process will be monitored by the doctor on call.

**Mr. Eddy Tang, Chairman, Executive Director and Chief Executive Officer of Union Medical Healthcare**, said, “It is our first-time collaboration with Tencent Doctorwork in exclusive provision of one-stop safe and professional vaccination services for users of Tencent Doctorwork. Healthcare services in Hong Kong have gained wide recognition and reliability. Leveraging the platform traffic of Tencent Doctorwork, the Group is able to reach a wider base of users, strengthening our footprint in the Mainland and the Greater China. We expect more collaboration programs with Tencent Doctorwork to be launched in the future to deliver a full array of quality services to clients in both Hong Kong and mainland China.”
